

The Springville Buzz

Springtime in Springville

Springing forward was created to make better use of the long sunlight hours of the summer. By “springing” clocks **forward** an hour in March, **we** move an hour of daylight from the morning to the evening. This happens this Sunday March 12, 2017 at 2:00 AM.

The plants and trees that are budding out and popping up are telling us that spring is here! It is a favorite time of the year for gardeners!

Looking forward there will be a **Plant Exchange on Earth Day, Saturday April 22, 2017**. You are welcome to join in the fun and bring plants that you have to share and get plants you may have wanted. As we get closer to the date I will add a list of participants and plants that will be available.

There is an unusual amount of trash along our Springville Streets. Anyone interested in helping to coordinate a day of cleaning up areas in Springville Please contact Jackie Thompson. 812-276-7770 or on FB.

Fayetteville Kiwanis Club has offered to allow us to use their big signage that is placed in the roads that are being cleaned. The signs are large and slow traffic and notify drivers that there are volunteers on the roads. That will be a huge help.

Follow up on Leota Holmes Boarding House. You will recall a couple of months ago I wrote about Leota Holmes and her boarding house. That home is currently empty and for sale! It would be awesome if someone could afford to buy and restore it! Here we have a photo of Leota and her family.

Left: Leota Homes. Right is Mary Homes and child. The woman in the middle is not listed on the photo.

The former boarding house can be found on Spencer Pike road.

The Buzz Around Springville Elementary School

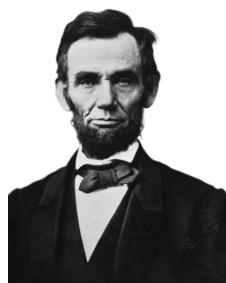

Submitted by: Mrs. Charles, Springville Elementary School Principal

Springville Elementary is collecting shoes as a fundraiser. The shoes can be gently used shoes or brand new ones. Anyone with shoes to donate may drop them off at Springville school. There is a large drop-off box in our front entry.

Kindergarten screening is 3/23. Please call the school, [812-279-1388](tel:812-279-1388), to make an appointment for your child if he/she will be 5 years old by August 1, 2017. We're looking forward to meeting our next group of sweet, eager learners!

On March 30th our fifth grade students will be portraying famous Hoosiers in our version of a Wax Museum. The event will begin at 5:30 and conclude at 6:30. Anyone interested in attending and seeing, hearing, and learning about some of Indiana's most influential past and present residents are welcome to attend.

Springville Girl Scout Leaders Needed

Girl Scouts in Springville is 100% volunteer powered. For years we have been blessed with amazing adult volunteers to lead and inspire our young girls, but now, we are looking to add to those dynamic volunteers. We are seeking leaders for all age ranges from Kindergarten through 5th grade. Interested volunteers would need to register with Girl Scouts and pass a background check. Without volunteers we will not be able to continue the Girl Scout program in Springville.

If you are interested in leading what could be our next generation of teachers, doctors, or maybe even a future President, please contact Carrie Rainey and I will be happy to guide you through the process! Please e-mail or call:

SHOE DRIVE

Did you know that in the United States alone every year over 600 million shoes are thrown in landfills in our country? We want to leave a better world for our children and generations that follow.

Did you know that the average family has at least 15 pairs of shoes they no longer want or use hidden in their closets?

Springville Elementary Wants Your Gently Worn Used and New Shoes

OUR GOAL...

2,500 PAIRS OF SHOES

*100 bags with 25 pairs of gently worn used and new shoes
Funds earned will benefit classroom needs*

All donated shoes will be redistributed throughout the Funds2Orgs network of microenterprise partners in developing nations. Funds2Orgs helps impoverished people start, maintain and grow businesses in countries such as Haiti, Honduras and other nations in Central America and Africa. Proceeds from the shoe sales are used to feed, clothe and house their families.

Questions, please contact Melissa Matson (812)583-2033 or Mrs. Charles.
